CONDITIONING TREATMENTS

Intensive Aftercare Conditioning Treatment (add £5 to any service)

Kera Straight one month blow dry intensive conditioning treatment

KeraStraight Moisture Mask is a lightweight nutrient rich treatment that nourishes dry, dehydrated and brittle hair.

KeraStraight Protein Mask is a powerful concentration of low weight proteins that form a fortifying net to reconstruct and revitalise extremely damaged hair.

BOTH (from) £25

X Smooth one month blow dry intensive conditioning treatment

The advanced Triple Action Technology of X-Smooth Control Therapy is based on the synergy between the different active ingredients: silk proteins and amino acids, being absorbed deep inside the hair shaft. This is the Multiple Polymerization System (MPS). At the same time, hyaluronic acid combines with wheat germ and jojoba to protect the cuticle and intensely moisturise the hair.
